## MEETING

MEMBERS PRESENT: ☐\_E\_ Button, ☒\_X\_ Chapman, ☒\_X\_ Travis Gasa, ☒\_X\_ Swimley, ☒\_X\_ Waschezyn  
PUBLIC: ☒\_X\_ Anne Names (clerk), ☒\_X\_ Britany Elsey (trustee liaison)  
(E=Excused, X=Present)

### I. CALL TO ORDER: 5:19 PM

### II. OLD BUSINESS:

> MINUTES: Motion to approve 06/05/2024 and 08/07/2024 made by Scott Swimley, seconded by Travis Gasa, no discussion, vote carried.

### III. NEW BUSINESS:

> 208 N. Hamilton St. realty information presented by Scott Swimley. Shared a colleague's opinion on the former DR Engineering building as well as pictures.

Discussion:

Seems to be listed above market value

Vacant probably 20 years

Ideas from foundry site could be applied to this property.

Properties in Village Square are also on the market

Would be good to share these other village properties Village Board members interested in increasing Village income.

Storage facility follow-up: code enforcement has been over to the site and has been generally persistent, so we have reason to believe the process is going smoothly. Important to know that Code Enforcement is not credentialed to survey a site.

Clean Energy Communities update from Anne Names: discussed \$10,000 grant with NYSERDA recently and it had to be resubmitted to correct an issue of how employees are counted.

Planning Board Member Trainings:

Four hours per year required by NYS

Revisit training topics with STC in January

### IV. CLOSING

NEXT MEETING: Wed. Oct. 2 at 5:30 PM at Village Hall

### V. ADJOURNMENT: 05:49 PM

Minutes recorded by Planning Board Member Hannah Waschezyn.
